“Bev was such a dear! I enjoyed chatting with her on facebook several times. Herb & I both have great memories of our days on Juniper Street when all of you kids were little. Our thoughts and prayers are with all of you.....she will surely be...” Carol Drew (Forest Grove, OR) ●

“My mother lived on Juniper Street right next door to Bev’s family. I played with her often when I would visit, and later reconnected with her on facebook. I am sadden by her passing, but so glad I have many fond memories.” Candy Katon-Brown (Castle Rock, WA) ●

“Good-Bye, Bev - What a brave fighter of life!! I never knew you before your illness, but I NEVER saw you without a sparkle and a smile!! I hope you are flying with angels free of pain and worry.....Love, Bonnie” Bonnie Hall (Portland, OR)
