

Carol (Goldsmith) Brown

A Little Bit About Me

Met and married Steve Brown in 1975, became a stay at home mom of 14. We had ten girls and 4 boys.

Steve's career took us to TX, NM, NY and OK in the course of 35 years.

Sadly, he passed away earlier this year.

I have four children left at home, and am expecting my 31st grandchild.

Life is good, when in covenant with the living and true God!
